Want to be more involved at Church? – here are two ways to help:

- **Be a greeter:** involves handing out bulletins with a warm loving smile, help those find a seat if necessary and collect offering. Grab a friend or do it as a family.
- **Read scripture:** at the appropriate time during the service read a short prayer which is provided by Victor and the accompanying bible verse. *Attention parents* – this is a great opportunity to participate together with your children who are now reading. They can read the prayer and you can read the bible verse - it builds confidence and inspires the congregation.

To sign up – check out the bulletin board or call the church office.
