

We are honoured to be worshipping on the traditional ancestral unceded territory of the Coast Salish peoples and do not take this privilege and responsibility lightly. We acknowledge the importance of connection to land, culture, spirituality, family, and community for the well-being of all Indigenous and non-Indigenous people who lived and continue to live here and we at Richmond Presbyterian Church seek to learn from Indigenous wisdom as to how we can live in right-relatedness with Creator, creation and all peoples.
