Sharing the link to the online recording of RPC's Sunday morning service is a great way to generate interest in the church, especially by potential candidates for the position of Minister. Why not share the link on your Facebook page or send others the link to the recording. Thanks for your help in making our services widely known.

Staying Safe in Hot Weather

Although warm and sunny weather is a treat, hot temperatures come with certain risks. We encourage everyone to be safe in the heat and stay informed about heat-related health risks.

The City of Richmond has a comprehensive Heat and Poor Air Quality Emergency Operations Plan. This plan is aligned with the BC Heat Alert and Response System (HARS) to allow for a robust and flexible response to enhance public safety during extreme heat.

Keep your household safe and get prepared by creating an extreme heat emergency plan: [Extreme Heat Preparedness Guide](#). Information and updates on heat-related City services and other resources are available [HERE](#). **Remember: Everyone is at risk for heat-related illness.**

The flowers in the Sanctuary this morning are placed by the Hung family: "Thank God for providing us with the RPC family".

REMINDER: *Deadline for notices is 12 pm on Thursdays.*
