A thanksgiving prayer:

Gracious Lord God as we prepare for Thanksgiving, prepare our hearts and help us join together in praising You and counting our blessings. For we each have some, perhaps more than we realize. We thank you for Your sustaining grace, Your protection, and for Your presence in our lives through good times and through trying times this past year... We pray for those in this country, and in other nations around the world. Those who are suffering and who need Your help... As you have blessed us, help us to be a blessing to others, in sharing where we can and in praying that You will sustain them and supply their needs. In Jesus name...Amen
