Richmond Presbyterian Church

Deep with God, Wide with the World

January 29, 2023

Be sure to check out our webpage at www.richpres.com for more information about worship services or online programs and how we can share in your faith journey.

January 29 is VST Sunday.

We are privileged to have **Rev. Rebecca Simpson** here again to lead us in worship and share how Vancouver School of Theology is making an impact on the Presbyterian Church in Canada and beyond for the glory of God. Come celebrate, in worship and praise. See what Christ is doing in our local theological school, among Christian leaders called to Thoughtful, Engaged and Generous service in the church of today and tomorrow.

Children and youth are invited to room 3 to worship with leaders, after the scripture reading.

"On February 18-19, 2023 Richmond Presbyterian Church will welcome a candidate to preach for the call to be the next Minister at RPC. We are so thankful for this development. Meetings will be scheduled on Saturday

February 18 for the candidate to meet with various groups of people from the church. On **Sunday February 19**, the candidate will preach for the call. Immediately after the service a congregational meeting will be held. **Members will be asked to vote and adherents to concur in the call. That means we need everyone there to express your opinion by raising of hands and then by signature.** We will give you more details about the schedule for the weekend and the candidate as the time draws near. For now please mark these dates in your calendar and plan to participate in these important events. The search committee and Session invite your prayers for this process of discernment. **Please pick up the envelope** addresses to your household which includes information about the candidate and a schedule for the weekend visit and preaching for the call." **Rev. Dr. Richard Topping, Interim Moderator**

Tax receipts for 2022 were mailed and emailed the week of January 9, if you have not received it or have questions, please let Heather C know, contact: richpres.counters@gmail.com
